Notice of Allowance Dated: September 27, 2004

PATENT

### REMARKS

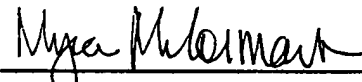

Claims 1-12 have been allowed. The Notice of Allowability required compliance with MPEP 2422.02. The specification is amended herein to include the sequence identifiers in the Brief Description of the Drawing, thus fulfilling the requirement of MPEP 2422.02.

Additionally a revised sequence listing setting forth all sequences in the specification and drawings is submitted herewith, in both paper and computer-readable formats, along with the required statement. Entry of the foregoing is respectfully requested. No new matter has been added.

It is respectfully submitted that this amendment and accompanying papers are fully responsive to the requirements set forth in the Notice of Allowability. The examiner is invited to contact the undersigned to resolve any outstanding issues which may arise.

Respectfully submitted,

Date: November 30, 2004
